AMUSEMENTS

"The Heart of a Hero."
Every American honors Nathan Hale, the man who said: "I regret that I have but one life to give to my country." The Heart of a Hero is a visualization of the romantic side of Nathan Hale, the immortal hero of the American Revolution. The settings in this picture, exterior and interior, are most authentic of the times when America was in its making. It rings with patriotism, thrills with excitement, cherishes with fond memories, and touches the heart with its wonderful love. It is a story that the whole world will enjoy seeing, for the reason that it portrays the strength of a strong man and a loving woman, and as one of the critics said, "Is a story that will be discussed by everybody for its greatness and its beauty." See it at the Isis today.

BACK TO HAPPINESS AND HEALTH, GLAD WOMAN WRITES

Neighbors Amazed at Remarkable Recovery.

"Isn't it simply wonderful to go through years of hopeless suffering and then then come almost suddenly to a knowledge that here is sure help and healing at hand?" writes Mrs. J. M. Lambert of Centerville, Ala.

"I did not expect ever to see a well day in my life again. Four years suffering with Pellagra in its worst form means total physical wreck and death not far away."

"My suffering was indescribable. Sores everywhere, even in my mouth and throat and so run down that life was just a burden. I dread to think of the sums I spent for remedies before I found the one great remedy that Nature seems to have put here for Pellagra and other diseases. Just as soon as I had taken Sulfero-Sol for one week I knew I was going to get well. Each day saw a gain and my neighbors could hardly believe such a change could be possible. "I have used in all six bottles of this wonderful mineral remedy and now I am wholly well. All the sores have left me, all the pains, everything. I am just as well as a woman can possibly be and I owe every bit of my recovery to Sulfero-Sol and I shall never miss a chance to tell of its wonderful healing power."

Sulfero-Sol is for sale by Balkco Drug Co., Hannan's Pharmacy and all other druggists in Pensacola. Adv.

acceptable screen star. As a matter of fact, very many of the stage favorites fail miserably as such. One, however, who is even more popular on the screen than on the stage, is Fannie Ward, the dainty favorite of England, and America. She has appeared before no less personalities than King and Queen of England, and has made a number of trips across the Atlantic. Her entrance into motion pictures was in the Paramount photoplay, "The Cheat" which has made such an enormous success throughout the country. In this production, she has playing opposite her the great Japanese actor, Sessue Hayashi.

akawa. Since then she has appeared in a number of other popular productions, but undoubtedly has done nothing since "The Cheat" equal to her performance in "On the Level." This is the story of the daughter of a sheep ranchman out West whose father is killed by raiders and who was left to fight her battle against them world alone, though he help in redeeming a drug field, she finally falls in love with her patient and then complications begin to arise.

It is not quite fair to tell you the story, so we would suggest that you see "On the Level" when it comes to the Isis theater tomorrow.

Bill Desmond Makes A Splendid Yale Athlete

"Bm, you are a Yale athlete," said Director Frank Borzage on the morning that he presented the script of "Flying Colors," which comes to the Isis Monday, to William Desmond, the smiling Irish star. "At least that is the part Lynch and Smith have written for you."

"I never performed in the Yale Bowl," replied Desmond with a broad smile, "but I have a few little stunts of my own that may muster as coming from the dear old college."

The rest of that day Desmond entertained the company with stunts of pole-vauling, hurdling and a hundred yard dash.

Suffered Terribly From a Burning Sensation in His Stomach.

"Last summer I had a bad spell of indigestion that lasted about ten days. There was a terrible burning sensation and a good deal of gas in my stomach. I suffered terribly at times, being unable to get relief until I took a friend's advice and began using Chamberlain's Tablets. The relief from the first was very apparent, and by taking only half a bottle of them I was cured," writes G. F. Parkhurst, Cicero, N. K.—Adv.

NEW YORK CITY TO MARKET FOOD AND FUEL

New York, Oct. 18.—Authority for the purchase and sale to people of food and fuel by the city government was asked of the New York State Food Commission by Mayor Mitchell. He declared there exists "an actual and anticipated emergency on account of the deprivation of necessities by reason of excessive charges and declared purchasing power."

Des Moines, Iowa, Oct. 18.—The attorney-general has ordered a recount of the ballots cast in the special election on the question of constitutional prohibition. Unofficial returns gives "wets" a majority by approximately one thousand votes.

STEVE CAN PICKET ALL WASHINGTON WITH SIGNS LIKE THIS IF HE WANTS TO

Some White House pickets may land in jail. Not so Steve Vasiliakos, peanut vendor. Look at the sign he displays. Steve's battleground is anywhere between the

treasury, state, war and navy buildings, and he knows by name dozens of the government officials who patronize his stand. He has already given nearly \$100 to the Red Cross, and is still giving.

GARFIELD'S WIDOW GLAD HER MEN ARE AIDING IN WAR WORK

MRS. JAMES A. GARFIELD

Mentor, O., Oct. 19.—Mrs. James A. Garfield, widow of the president assassinated by a political crank, is intensely interested in the country's war work, despite the fact that she is seriously ill at her home here.

One of her sons, Dr. Harry A. Garfield, national fuel administrator, recently was called to his mother's bedside. Several of her grandsons are serving with the United States in the present war. She gives them to her country just as patriotically as she did her bridegroom husband back in the days when James A. Garfield, quit teaching to join in the singing of, "We are coming, Father Abraham, 100,000 strong."

"My Blood Supply Is My Very Life; I Must Keep It Pure."

The Slightest Impurity Must Be Promptly Eliminated.
Keeping your blood free from all impurities means that you will enjoy a robust, strong and sturdy vitality which will enable your system to resist the numerous ailments that are constantly assailing it, and to which so many people succumb.

Practically everyone is subject to the same attacks from the numberless enemies of good health which lurk in the air we breathe and the water we drink. Why do so some easily throw off the attack, while others fall a victim to disease? It is almost entirely due to the condition of the blood. If your blood is thin and impure, and your strength and vitality have been gradually un-

dermined by an accumulation of impurities, you will fall an easy victim to one of the many ailments which assail your health every day. While those who keep their blood pure and clean will enjoy almost perfect health.

You can be sure that your blood will be kept in perfect condition by the use of a few bottles of S. S. S. This wonderful remedy is purely vegetable and has been used with unvarying success for more than fifty years. S. S. S. is sold by druggists everywhere. Don't accept a substitute. A valuable book and free medical advice about your blood supply can be obtained by writing to Swift Specific Co., 38-E, Swift Laboratory, Atlanta, Ga.—adv.
